

NEW Reading Initiative!

Dear Parents and Carers,

We are excited to introduce a brand-new reading initiative across our school — our Class Reading Floor Books!

Each class now has a large Reading Floor Book that will travel home every weekend (Starting **Friday 14th November**), with one child. Inside, the children will design and create their own special page all about a book they love or are currently reading.

This is a wonderful opportunity for children to celebrate their love of reading, express themselves creatively, and inspire their classmates.

How it Works:

- **Every Friday**, one child will be chosen to take their class Reading Floor Book home.
- Over the weekend, they will design and decorate their page using the equipment provided in the Reading Floor Book pencil case.
- Their page can include:
 - The book title and author
 - A short summary (without spoilers!)
 - Their favourite part or character
 - How the book made them feel
 - Drawings, quotes, or decorations
 - Who they would recommend the book to

- On the next Wednesday, the child will bring the book back to school and share their page with the class.

Why We're Doing It

The Reading Floor Book helps children to:

- Celebrate their reading journeys
- Develop confidence speaking in front of others
- Practise creative expression through writing and art
- Inspire others with new book recommendations
- Build a joyful, community-wide love of reading

Thank you for your support in helping us make reading a shared adventure. We can't wait to see the creativity and imagination that our pupils bring to their Reading Floor Books each week.

With warm regards,

Mr Anthony Bandy-Webb
Specialist Leader in Education (SLE)
