## **Costume Swap for World Book Day**

As we look ahead to World Book Day on Thursday, Miss Smith (Key Stage 1 Leader) and our wonderful School Parliament are organising a Costume Swap – an eco-friendly and cost-saving way to help families reuse and recycle costumes instead of buying new ones.

We would be very grateful for any old costumes you may have at home that your child has outgrown or no longer uses.

There will be a table set up in the courtyard where you can both donate costumes and help yourself to something new on Tuesday and Wednesday next week.

Thank you for supporting this simple, sustainable way to celebrate reading together!
